

Make it yours Window Accessories

Our range of modern hardware is available in any RAL colour, enabling products either to be colour matched or to be specified in contrasting, or complementary finishes.

Available in a range of both traditional and modern designs to suit all home styles, our high quality locking handles have been developed to provide a lifetime of smooth and robust performance.

We have a range of window handles that can be painted in the colour of your choice. Just let us know the handle colour you want to provide the perfect finishing touch to your new door and we'll provide it. It really is as easy as that!

Smart Standard Hardware

The hardware is available in a number of different colour and finish options, each item selected to complement not only the systems' aesthetics, but also their high standards of quality and performance.
